The New, Confusing CPT Codes: How to Get Paid for What You Deserve

In this podcast, Drs Shah and Lustig provide a summary of their presentation at the 2014 Psychiatric and Mental Health Congress and explain the process, rationale, and application of the numerous changes to the CPT codes.

We have asked Vikram Shah, MD and Stuart Lustig, MD, MPH to give us an overview of their presentation at this year’s Psychiatric and Mental Health Congress. In this podcast, they provide a taste of what their presentation will cover and explain the process, rationale, and application of the numerous changes to the CPT codes. Drs. Shah and Lustig are Lead Medical Directors at Cigna in Columbia, Maryland and Glendale, California respectively.
